

Add Student Flow Audit

Generated 6/15/2026, 1:51:58 PM

Checks passed: 10 / 10

Blue Ribbon camp code constant: CAMP-BLUE RIBBON AB-2026

Checks

- PASS — Facilitator drawer primary button: Primary submit button labeled Add Student
- PASS — Facilitator drawer sticky footer: Actions live in a sticky footer outside the scroll body
- PASS — Facilitator required field validation: Child, parent names, email, and grade level validated before submit
- PASS — Facilitator roster refresh on success: Roster refresh + toast after successful add
- PASS — Blue Ribbon program fallback: Legacy Blue Ribbon unlock resolves to camp program code
- PASS — Admin emergency add student tab: Admin portal exposes Add Student tab
- PASS — Admin emergency service: Admin service creates participant and returns family access code
- PASS — Parent portal add-child untouched: Family add-child still uses createFamilyChildParticipant
- PASS — Camp onboarding service intact: Facilitator flow still creates participant + parent link
- PASS — Admin tab form fields: Admin form includes program, optional group, and notes
