

Character Gold Standard Report

Top 10 strongest questions per character — staging v4

Generated 6/14/2026, 8:56:24 PM

Caiden — Gold Standard Library

Core skills: planning · sequencing · budgeting · time management · tradeoff reasoning

Common Success Patterns

- Average difficulty 5.0/5 across top 10
- 100% with zero quality flags
- Scenarios average 54 words
- 100% embed planning / sequencing language
- 100% use comparison, inference, or best-choice stems
- Grade bands represented: 6-8 (8), 4-5 (2)
- Comparison or best-choice framing is common in gold stems
- Quantitative constraints (time, tokens, totals) appear in most gold scenarios

Frequent stem patterns in top 10

- Which plan uses his 45 minutes without skipping the break or (x8)
- Can he afford both items with 10 tokens?
- What order finishes everything with time to spare?

Top 10 Questions

1. cq1-68-q1 — What Comes First? (6-8) · 5/5

Q: Which plan uses his 45 minutes without skipping the break or running late?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: C · Flags: none

2. cq4-68-q2 — Reset and Return (6-8) · 5/5

Q: Which plan uses his 45 minutes without skipping the break or running late?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

3. cq6-68-q3 — The Snack Shop Challenge (6-8) · 5/5

Q: Which plan uses his 45 minutes without skipping the break or running late?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: C · Flags: none

4. cq6-68-q6 — The Snack Shop Challenge (6-8) · 5/5

Q: Which plan uses his 45 minutes without skipping the break or running late?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: B · Flags: none

5. cq7-68-q8 — The Camp Supply Mission (6-8) · 5/5

Q: Which plan uses his 45 minutes without skipping the break or running late?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

6. cq8-68-q2 — The Homework Rescue Plan (6-8) · 5/5

Q: Which plan uses his 45 minutes without skipping the break or running late?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: B · Flags: none

7. cq8-68-q8 — The Homework Rescue Plan (6-8) · 5/5

Q: Which plan uses his 45 minutes without skipping the break or running late?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

8. cq9-68-q1 — The Camp Leader Challenge (6-8) · 5/5

Q: Which plan uses his 45 minutes without skipping the break or running late?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

9. cq1-45-q1 — What Comes First? (4-5) · 5/5

Q: Can he afford both items with 10 tokens?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

10. cq1-45-q2 — What Comes First? (4-5) · 5/5

Q: What order finishes everything with time to spare?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

Miranda — Gold Standard Library

Core skills: evidence · clues · passage analysis · inference

Common Success Patterns

- Average difficulty 4.9/5 across top 10
- 100% with zero quality flags
- Scenarios average 74 words
- 100% embed evidence / clues language
- 100% use comparison, inference, or best-choice stems
- Grade bands represented: 4-5 (9), 2-3 (1)
- Comparison or best-choice framing is common in gold stems

Frequent stem patterns in top 10

- According to the passage, which answer is best supported by (×9)
- According to the passage, Why were students confused, based

Top 10 Questions

1. ms-45-q1 — The Missing Schedule (4-5) · 5/5

Q: According to the passage, which answer is best supported by evidence?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

2. ms-45-q2 — The Missing Schedule (4-5) · 5/5

Q: According to the passage, which answer is best supported by evidence?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

3. ms-45-q3 — The Missing Schedule (4-5) · 5/5

Q: According to the passage, which answer is best supported by evidence?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: B · Flags: none

4. mst-45-q1 — The Missing Student (4-5) · 5/5

Q: According to the passage, which answer is best supported by evidence?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

5. mst-45-q2 — The Missing Student (4-5) · 5/5

Q: According to the passage, which answer is best supported by evidence?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

6. mst-45-q3 — The Missing Student (4-5) · 5/5

Q: According to the passage, which answer is best supported by evidence?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: B · Flags: none

7. mcl-45-q1 — The Missing Clue (4-5) · 5/5

Q: According to the passage, which answer is best supported by evidence?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

8. mcl-45-q2 — The Missing Clue (4-5) · 5/5

Q: According to the passage, which answer is best supported by evidence?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

9. mcl-45-q3 — The Missing Clue (4-5) · 5/5

Q: According to the passage, which answer is best supported by evidence?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: B · Flags: none

10. ms-23-q3 — The Missing Schedule (2-3) · 4/5

Q: According to the passage, Why were students confused, based on the passage?

Why strong: Strong difficulty score (4/5); No quality flags detected; Requires inference, comparison, or planning

Correct: C · Flags: none

Zeke — Gold Standard Library

Core skills: teamwork · leadership · social reasoning · collaboration tradeoffs

Common Success Patterns

- Average difficulty 5.0/5 across top 10
- 100% with zero quality flags
- Scenarios average 68 words
- 100% embed teamwork / leadership language
- 100% use comparison, inference, or best-choice stems
- Grade bands represented: 4-5 (5), 6-8 (5)
- Comparison or best-choice framing is common in gold stems

Frequent stem patterns in top 10

- Which plan balances the team tradeoff best? (×10)

Top 10 Questions

1. zkm1-45-q3 — The New Table (4-5) · 5/5

Q: Which plan balances the team tradeoff best?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: B · Flags: none

2. zkm1-68-q1 — The New Table (6-8) · 5/5

Q: Which plan balances the team tradeoff best?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: C · Flags: none

3. zkm2-45-q2 — Pass the Ball (4-5) · 5/5

Q: Which plan balances the team tradeoff best?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

4. zkm2-68-q3 — Pass the Ball (6-8) · 5/5

Q: Which plan balances the team tradeoff best?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

5. zkm3-45-q1 — The Group Project Glitch (4-5) · 5/5

Q: Which plan balances the team tradeoff best?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

6. zkm3-68-q2 — The Group Project Glitch (6-8) · 5/5

Q: Which plan balances the team tradeoff best?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

7. zkm4-45-q3 — The Brave Voice (4-5) · 5/5

Q: Which plan balances the team tradeoff best?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: B · Flags: none

8. zkm4-68-q1 — The Brave Voice (6-8) · 5/5

Q: Which plan balances the team tradeoff best?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: C · Flags: none

9. zkm5-45-q2 — Friendship Repair (4-5) · 5/5

Q: Which plan balances the team tradeoff best?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

10. zkm5-68-q3 — Friendship Repair (6-8) · 5/5

Q: Which plan balances the team tradeoff best?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

Charlie — Gold Standard Library

Core skills: experimentation · variables · observation · scientific thinking

Common Success Patterns

- Average difficulty 5.0/5 across top 10
- 100% with zero quality flags
- Scenarios average 69 words
- 100% embed experimentation / variables language
- 100% use comparison, inference, or best-choice stems
- Grade bands represented: 6-8 (9), 4-5 (1)
- Comparison or best-choice framing is common in gold stems

Frequent stem patterns in top 10

- What should Charlie test to compare two ideas fairly? (×4)
- Which variable should Charlie change while keeping others th (×3)
- What evidence best supports Charlie's prediction? (×3)

Top 10 Questions

1. cm1-68-q1 — The Mystery Footprints (6-8) · 5/5

Q: Which variable should Charlie change while keeping others the same?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: C · Flags: none

2. cm1-68-q2 — The Mystery Footprints (6-8) · 5/5

Q: What evidence best supports Charlie's prediction?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

3. cm1-68-q3 — The Mystery Footprints (6-8) · 5/5

Q: What should Charlie test to compare two ideas fairly?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

4. cm2-68-q1 — The Floating Orange (6-8) · 5/5

Q: What evidence best supports Charlie's prediction?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: C · Flags: none

5. cm2-68-q2 — The Floating Orange (6-8) · 5/5

Q: What should Charlie test to compare two ideas fairly?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

6. cm2-68-q3 — The Floating Orange (6-8) · 5/5

Q: Which variable should Charlie change while keeping others the same?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

7. cm3-68-q1 — The Mystery Sound (6-8) · 5/5

Q: What should Charlie test to compare two ideas fairly?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: C · Flags: none

8. cm3-68-q2 — The Mystery Sound (6-8) · 5/5

Q: Which variable should Charlie change while keeping others the same?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

9. cm3-68-q3 — The Mystery Sound (6-8) · 5/5

Q: What evidence best supports Charlie's prediction?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

10. cm4-45-q2 — Volcano Trouble (4-5) · 5/5

Q: What should Charlie test to compare two ideas fairly?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

B-4 — Gold Standard Library

Core skills: emotions · regulation · self-awareness · coping strategies

Common Success Patterns

- Average difficulty 5.0/5 across top 10
- 100% with zero quality flags
- Scenarios average 78 words
- 100% embed emotions / regulation language
- 100% use comparison, inference, or best-choice stems
- Grade bands represented: 4-5 (4), 6-8 (6)
- Comparison or best-choice framing is common in gold stems

Frequent stem patterns in top 10

- Which two strategies compare well for this moment? (×7)
- Which coping step fits best after naming the feeling? (×3)

Top 10 Questions

1. b4m1-45-q2 — Mood Scanner (4-5) · 5/5

Q: Which two strategies compare well for this moment?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

2. b4m1-68-q2 — Mood Scanner (6-8) · 5/5

Q: Which coping step fits best after naming the feeling?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

3. b4m1-68-q3 — Mood Scanner (6-8) · 5/5

Q: Which two strategies compare well for this moment?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

4. b4m2-45-q1 — Body Signal Detective (4-5) · 5/5

Q: Which two strategies compare well for this moment?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

5. b4m2-68-q1 — Body Signal Detective (6-8) · 5/5

Q: Which coping step fits best after naming the feeling?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: C · Flags: none

6. b4m2-68-q2 — Body Signal Detective (6-8) · 5/5

Q: Which two strategies compare well for this moment?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: D · Flags: none

7. b4m3-45-q3 — The Brave Choice Button (4-5) · 5/5

Q: Which two strategies compare well for this moment?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: B · Flags: none

8. b4m3-68-q1 — The Brave Choice Button (6-8) · 5/5

Q: Which two strategies compare well for this moment?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: C · Flags: none

9. b4m3-68-q3 — The Brave Choice Button (6-8) · 5/5

Q: Which coping step fits best after naming the feeling?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none

10. b4m4-45-q2 — Focus Reset Station (4-5) · 5/5

Q: Which two strategies compare well for this moment?

Why strong: Maximum difficulty score (5/5); No quality flags detected; Requires inference, comparison, or planning

Correct: A · Flags: none
