

Question Attempt Tracking Audit

Generated 6/15/2026, 12:15:38 AM

Mission question target: 5

Missions passing: 39 / 39

Interaction checks passed: 5

Failed missions (first 20)

Interaction checks

PASS — first_selected_answer preserved after second try: first=b, final=a

PASS — is_correct_first_try remains false when wrong then right: first_try=false, final=true

PASS — hint usage tracked separately: hints_used_count=1

PASS — final score and first-try score can differ: final=1, first_try=0.333

PASS — growth metrics computable: growth_by_week buckets created
