

Replay Attempts Audit

Generated 6/15/2026, 1:51:59 PM

Checks passed: 7 / 7

Checks

PASS — Initial attempt type default: resolveMissionAttemptType => initial
PASS — Replay attempt type when previously completed: resolveMissionAttemptType => replay
PASS — Replay rows flagged: buildQuestionAttemptRows sets attempt_type + is_replay
PASS — Initial-only filter: filterInitialAttemptRows excludes replay rows
PASS — Replay helper: isReplayAttemptType distinguishes replay
PASS — Game flow passes attempt type: GameAssessmentFlow wires attemptType into completion save
PASS — Reward dedup on replay: completeMissionWithSupabase skips duplicate rewards when already completed
