

Top 25 Weakest Questions

Staging v4 difficulty set — ranked by score, obvious answers, distractors, reasoning, and scenario dependence
Generated 6/14/2026, 8:46:44 PM

1. zkm1-68-q3 (zeke)

The New Table · week 1 · 6-8 · difficulty 3/5

Flags: lacks_reasoning_skill

Scenario: Zeke walks into lunch and sees a table of kids playing a card game. There is one open seat, but nobody has noticed him yet. During the new table, Zeke listens to teammates, weighs two reasonable plans, and chooses the...

Question: What leadership move helps most without ignoring anyone?

- A. Invite them to ask together or save... '
- B. A kind idea that skips hearing everyone out
- C. A fast choice that helps one person but not the...
- D. A choice that shuts teammates out

Why weak:

- Below-target difficulty (3/5)
- Distractors may be too weak or uneven
- Limited reasoning requirement for grade band

Recommended replacement:

Rephrase to require comparison, prioritization, or best-choice reasoning. Suggested distractors: Choose a reasonable step that does not match the scenario best | Pick a strategy that helps a little but misses the main goal | Select an option that delays the decision Present two emotionally plausible team options; ask which tradeoff helps the group most.

2. zkm6-68-q2 (zeke)

The Courage Challenge · week 6 · 6-8 · difficulty 3/5

Flags: lacks_reasoning_skill

Scenario: Zeke wants to try out for the talent show, but his stomach flips when he sees the signup sheet. His brain says, "Maybe we become invisible today." During the courage challenge, Zeke listens to teammates, weighs two re...

Question: What leadership move helps most without ignoring anyone?

- A. A kind idea that skips hearing everyone out
- B. A fast choice that helps one person but not the group
- C. A choice that shuts teammates out
- D. Choosing the step that matches what he values '

Why weak:

- Below-target difficulty (3/5)
- Distractors may be too weak or uneven
- Limited reasoning requirement for grade band

Recommended replacement:

Rephrase to require comparison, prioritization, or best-choice reasoning. Suggested distractors: Choose a reasonable step that does not match the scenario best | Pick a strategy that helps a little but misses the main goal | Select an option that delays the decision Present two emotionally plausible team options; ask which tradeoff helps the group most.
